Conflict Minerals Policy

We hereby advise that currently, to our knowledge and after careful checking with our suppliers, no products supplied to Bluemay Limited (“the Company”) consist of or contain any of the minerals listed on the British Government’s Foreign & Commonwealth Office website as “Conflict Minerals” on the guidance page for this topic.

We require suppliers to the Company to keep up to date with the Conflict Minerals guidance and to notify the Company of any changes with regard to the substances supplied. The Company will in turn notify customers of any relevant changes.

Validity: This policy certificate is valid until 31st July 2018 and will be renewed annually.
